Who do you think should be remembered? Who should go down in history? Tell us!

Barnsley is creating the Barnsley Biography to remember local people, past and present, and to share their stories with future generations.

Let us know about anyone you think could be included. Tell us who they are and what you know about them. They don't have to be famous!

Email us, write to us or visit your local library. Explore the Barnsley Biography when Experience Barnsley and archives centre - the first ever Barnsley museum, opens in 2012 in the Town Hall.

Do you have an image or photograph to include?

What is their name?

Where and when were they born?

Where did they/do they live?

How do you know about them?

- I've read about them in a book or on the internet
- I know them
- People have told me about them
- I've done historical research
- Found out in another way

Tell us about this person.
